International Conference
On School-University Partnerships
June 2-4, 2026
Viaa University of Applied Sciences,
Zwolle (NL)

Viaa University of Applied Sciences, in collaboration with partnering schools from Scope, is organizing an international conference on Collaborative Teacher education. The conference and schoolvisits will take place from June 2-4, 2026, in Zwolle (NL) and surroundings.

The focus will be on the collaboration between universities and partnership schools - bridging theory and practice, sharing responsibility and co-developing meaningful content for teacher education.
